Region 2, Justin James-PRESENT

Region 2, Cali Currie- PRESENT

Region 3, Kern Arrott-PRESENT

Region 3, Tony Walker-PRESENT

**Region 4, Courtney Parker- PRESENT** 

Region 4, Jeff Garmon-PRESENT

Topic 1: Rockwall Heath has an athlete that has a conflict with Day 2 of the State Competition. He is a member of the UIL Choir and has advanced to the national competition. He can participate the first day, but will travel by plane at 3:00pm after the first day of competition.

## Discussion:

- Good to be productive and ask what to do in the situation. The coach can make the decision to compete Day 1 and letting the athlete leave after the first day
- How is he breaking the commitment form? The commitment form says the athletes will compete Regionals and State championships in all sessions.
- Is there a penalty to the coach if he does compete him on day 1? Coaches have the choice to compete kids Day 1 in their line-ups but not Day 2 in the line-ups
- Could possibly hurt another team that could have qualified for State.
- The athlete is missing to go to a National Choir Event
- UIL is not nationally recognized.
- Does this situation set up other coaches to keep the same line-ups from Regionals to State.
- One option can be that he can compete compulsory at Regionals and State, but not compete
  Optional day
- Commitment form is saying you are committed to both days.
- Another option for the athlete, can compete both days at Regionals but will not count toward the team score
- Athlete did sign the commitment form.

Called to Vote: We will give the Rockwall-heath athlete and coach the choice; Option 1, He can compete day 1 at both Regionals and State, Option 2, He can compete at Regionals as an

individual only, not count towards team score. Can not compete at state meet, and Option 3, compete both days at both meets.

Vote Passed: 13-0

## **Topic 2: Mens Qualifying Score**

## Discussion:

- Very few made the 295 qualifying score at Districts
- West Texas did not have anyone hit the 295.
- Round Rock will more than likely make the 295 or be extremely close.
- Bryan Rudder will not be close to the 295
- Following the procedure we laid out on the last call about the qualifying score.

An email will be sent out to the men's coaches about the qualifying process for the State Championships.

Meeting Ended: 9:05pm
