Directions: Exit Green Oaks Blvd. Off of I-20. From I-20 in Arlington go north onto Green Oaks to Pleasant Ridge and turn east. Martin High School about ½ mile past Little Road on Pleasant Ridge.

Parking: Due to Martin's size there is no parking available at the school during school hours. So look below for the two separate instructions of arrival times, sorry about the inconvenience.

If you arrive prior 3pm on Thursday or Friday, follow these instructions:

St. Barnabas United Methodist Church (located ¼ mile west of Martin on Pleasant Ridge) has given us permission to use their parking lot for State on April 14-16. They have asked that we meet the following conditions, please honor them as they are doing us a big favor.

- All school and tour busses need to park on the West Side.
- All cars and personal vehicles need to park on the East Side.
- All vehicles need to park as far away from the building as possible to allow for church members and school children access to their facilities.
- The two parking lots do not meet, so the shuttles can go to the East parking lot and those who park on the West side can just walk to the East parking lot.
- The shuttle will stop running ½ hour after the conclusion of the men's meet. If you plan on staying for the girls meet and want the shuttle back to your car you need to go get it after the boys session and bring it back to the west Martin lot after school lets out at 3pm. If you want to walk it is about an 8 minute walk from the gym to St. Barnabas.

If you arrive after 3pm you may park in the lot on the west side of the school. Enter through the glass doors in the middle of the west side of the building. The meet is in the main gym just to your left as you enter the building.
