

National Meet Fees

1. You will pay all entry fees/hotel at the meeting immediately following the awards session at the State Meet.
2. EVERY coach that is going to be on the floor coaching MUST pay the entry fee for themselves and fill out a Membership form. Those are in the file that is located (I hope) on the THSGCA Website. I will bring copies with me, but it is the coaches' responsibility to take care of this.
3. Fees:

Coach: \$100 entry fee (Coach on the Floor) + \$25 NHSGA Membership dues= \$125. This payment is sent to NHSGA (so make checks out to NHSGA)

Athlete: \$135 entry fee (checks to NHSGA)

4. Attire: If you have never been to this meet-it is a subtropical climate and shorts are an allowable form of attire. We will probably have some Team Texas T-Shirts, so one of the two days, we will wear those. Closed toe shoes are not necessary.
5. Attendance: We will be in attendance both days-for prelims and for finals. March in is required and is strongly suggested. What you do after the meet is your business-during the meet, we are there to support each other and cheer for everyone. You will see some pretty good gymnastics throughout the meet and probably will meet some pretty amazing coaches, too!
6. Questions? Please feel free to contact me:
